

You've been forgiven more than you
can ever be angry for.

You are the object of God's affection!

When you are young, you think about dates; when
you are old, you think about prunes.

There are no bad days in God, there are only days
of grace; grace to enjoy or grace to endure!

You are simply loved
and celebrated...for
there is never a day,
Father does not love
you and He's loving
you even now....on
this very special
day...Happy Birthday!

Open, and
you'll see...
