

Happy
St. Patrick's Day!
March 17th

St. Patrick, the patron saint of Ireland, is one of Christianity's most widely known figures. His life remains somewhat of a mystery to some because of false and exaggerated stories. The truth is that he walked in signs and wonders, helping many, through the empowerment of God, including raising the king's two children from the dead. St. Patrick used the shamrock in sermons to explain the Trinity: Father, Son, and Holy Spirit.
